

Would you like to be **a voice for your neighbourhood?**

Three Rivers Housing Group are looking for residents to become a voice for their community, this could be for your estate, street or block of flats.

We would like you to give us your ideas and suggestions on how your area can be improved, and work with us in doing so. You can offer as little or as much time as you can.

If this is something that interests you, *please contact* **Dale Thompson, Head of Housing Services** or **Damian Wilkinson, Neighbourhood Services Manager** at Three Rivers Housing Group on **0191 384 1122** for an informal chat.
